Languedoc
France

White Wine
Piquepoul Blanc

ABV
13%

Closure
Screw Cap

Tasting Notes
A refreshing wine with zesty flavours of lemon and green apple with aromas of fresh lemon and floral blossoms.

Food Match
A perfect accompaniment for any Mediterranean seafood dishes, salads or enjoyed on it's own. Serve chilled.

Vinification
Harvested at optimal ripeness, gently pressed, and fermented in temperature-controlled stainless steel tanks without any oak aging to lock in purity and freshness.

Aged on its fine lees for roughly 3 to 4 months, which rounds out the texture and adds a layer of depth and subtle creaminess while maintaining the grape's natural liveliness.

Soil
The AOP Picpoul de Pinet Terroir spreads around the Bassin de Thau along the Mediterranean Sea. A limestone plateau, exposed to the rising sun, covered with fragrant garrigues and dotted with tall pine forests.
